

SUBJECT: New quick clamp

CLAMPONTYRE

Dear Sirs,

We are pleased to inform you that as of **March 2023** the new **quick clamp ClampOnTyre** code **8-33100189** is available for sale.

NO CONTACT with the rim

INNOVATIVE DESIGN for quick positioning

RELIABLE AND FAST CLAMPING
thanks to the innovative clamping system

Features:

- **Wheel-clamping:** no contact with the rim to prevent any damage.
- **Quick:** quick lever-operated mounting and demounting, without toothed gears.
- **Self-centring:** the synchronous opening and closing mechanism allows the central pin to be always aligned with wheel centre.
- **Runout:** suitable for roc compensation procedure with 3D wheel aligners (*).
- **Lightweight and ergonomic:** the innovative design and low weight make it easy to handle and operate.

(*). Refer to the wheel aligner catalogue to check for compatibility

Technical specifications:

Wheel aligner compatibility: **Teco 990**

Wheel diameter: 19" to 39"

Rim diameter: 10" to 30"

Wheel arch protection included.

The set of supplied extensible hooks allows working on wheel diameters from 19" to 32".
