

## SUBJECT: ECO line double scissor lifts

Dear Customer,

We hereby wish to bring to your attention that an economical version of our underbody double scissor lifts, designed and produced in Italy, is available and already present on the current price lists.

### Key facts:

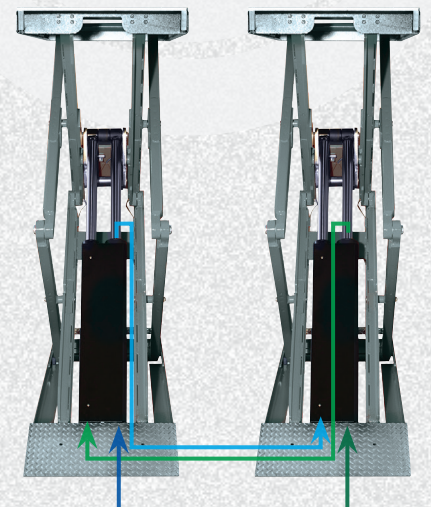

- No electronics on scissor side (no electric eye) and no pcb
- CE stop is activated by a volume measurement system in the tank

- “Crocodile” device added to stop lift in case of misalignment

- Ergonomic design and functionality of flaps

- Always double master-slave hydraulic system, without pneumatic lock

Following models are available as ECO version:

TECO 302E SPECIAL C

TECO 352E SPECIAL C

TECO 362E CI

TECO 302E SPECIAL CI

TECO 352E SPECIAL CI

TECO 412E CI

TECO 302E SPECIAL F

TECO 352E SPECIAL F

TECO 302E SPECIAL FI

TECO 352E SPECIAL FI

We took focus on a as simple as possible design for less potential sources of error.
