PROADAS START

**SUBJECT: SET OF 2 QUICK BRACKETS 13"-28" PART NO. 8-62100050 TO BE REMOVED FROM STANDARD EQUIPMENT**

This is to announce that, with a view to better competing in the market, as of September 1 our set of 2 quick brackets 13"-28" Part no. 8-62100050 will be removed from PROADAS START standard equipment Part no. 0-62103001/00.

## PROADAS START

The pricing of PROADAS START will be updated accordingly in our next price list release of September.

As of September 1, when ordering you will need to also include the set of brackets that you wish to use with your PROADAS START equipment.

This change will allow our customers to select the set of brackets of their choice, also with the PROADAS START version. Indeed, starting from September a new set of 2 4-point brackets 10"-21" with extensions kit up to 26" will be available as Part no. 8-62100061 to all our customers.

**New set of 4-point brackets 10"-21" with extensions kit up to 26", Part no. 8-62100061 (Quantity 2).**
